

# Innovative energy technologies: opportunities and benefits for the agro-food SMEs

Registration at 13.30\*\*  
(ita-en translation will be available)

PARMA, 6<sup>TH</sup> MAY 2014  
CIBUS - FIERE DI PARMA - SALA AIDA - HALL7

## ● Research, innovation and tech transfer for the agrofood sectors

Chairman: **Daniele Rossi**, Federalimentare Servizi

- 14.00 • **Energy efficiency in the agrofood Mediterranean SMEs: the Sinergia MED project**  
*Nicola Colonna, ENEA, SINERGIA project coordinator*
- 14.15 • **Opportunities for agri-food SMEs from Horizon 2020**  
*Patrick Kolar, Head of Unit for Agrifood chain, DG Research EC*
- 14.30 • **Innovative food products and processes in the EU food industry**  
*Beate Kettlitz, FoodDrinkEurope, Director Food Policy, Science and R&D*

## ● Tools and methods for SMEs support

Chairman: **Nicola Colonna**, ENEA

- 14.50 • **A database of energy techs for agrofood SMEs**  
*Alberto Tofani, ENEA*
- 15.05 • **How to support enterprises: GIST ICT tools greening food processing businesses**  
*Paola Siragusa, Province of Modena*
- 15.20 • **Energy audit: a tool to assess energy improvement potential and identify main energy conservation opportunities**  
*Carlo Zocchi, Edison Energy Solutions S.p.A.*

## ● Energy innovation in Agrofood SMEs: Case studies and best practices

Chairman: **Dimitrios Mendrinos**, CRES

- 15.40 • **Innovative renewable energy applications in the agrofood sector**  
*Dimitrios Mendrinos, CRES, Greece*
- 15.55 • **Energy saving experiences at Industrial Refrigeration Systems, COOL-SAVE project**  
*Rubén Renilla Collado, ITCL Spain*
- 16.10 • **Application of CO<sub>2</sub> heat pump for food pasteurization**  
*Maurizio Pieve, ENEA, Italy*
- 16.25 • **A novel approach to energy reduction - how to increase production efficiency while reducing costs**  
*Attila Berzceli, CAMPDEN, Hungary*
- 16.40 • **Biogas3 IEE project: opportunities of anaerobic digestion for energy self sufficient agrifood industries**  
*Remigio Berruto, Turin University, Italy*
- 17.00 • **Discussion and closing remarks**  
*Nicola Colonna and Maurizio Notarfonso*
